Pilgrimage

In our time at Holden, we spoke and sung the words below every day in our worship and reflections. As we begin a new term this week, holding all the goodness of spring break and time to rest and renew, we share this Celtic blessing which flows in the goodness of God to carry these words in your life, too:

Deep peace of the running wave to you.

Deep peace of the flowing air to you.

Deep peace of the quiet earth to you.

Deep peace of the shining stars to you.

Deep peace of the gentle night to you.

Moon and stars pour their healing light on you.

Deep peace of Christ, of Christ the light of the world to you.

Deep peace of Christ to you.

Reading Group

This term, we are switching gears from Bonhoeffer to Tim Snyder's *On Tyranny: Twenty Lessons from the Twentieth Century*. Until recently Snyder was a history professor at Yale who specialized in the history of authoritarianism in Europe. *On Tyranny* is comprised of 20 short chapters that

each offer a lesson on how to live with purpose and integrity within a tyrannical political system. As a preview, here is [John Lithgow reading a summary of each lesson](#).

Date and time tbd; please contact Pr. Hallie for more information.

Church in the Wild Pilgrimage

(photo from the loop around the tailings pile at Holden Village)

On April 26th, our church in the wild pilgrimage will take place up at God's Thumb near Lincoln City, Oregon. We'll meet at 9:30 am at Coffee Culture on Kings to carpool over to the coast. As we explore the land people make home on and with, and the histories of the land and her people, we learn more deeply about what it means to sojourn together as a people of faith.

Weekly Dinner Church

Luther House will begin weekly Sunday Night dinner again in Spring Term beginning Sunday, April 6th. Winter Term. Students are invited to join us at 6 pm for an evening of community, connection, and conversation around faith and belonging.

With a grant from the Calvin Institute for Creative Worship, we are excited to offer more locally grown, organic produce as we explore our connection to the land, food systems, and stories of place and belonging.

Maker's Space

On **Tuesday** evenings from **6-8pm** at Luther House, students are invited to create together (instead of scrolling & consuming). We value the process over the outcome. Craft-of-the-night changes each week. Works-in-progress are welcome, too.

If you have a craft or creative process you'd like to share with students at Luther House, reach out to Pr. Hallie.

Gather: Rivers of Mercy

Young Adult Pub Theology is happening! All young adults (not just those in college) 18-35 are invited to dive into the **Queer Catechism** this month on Monday, April 16th from 6-8 pm at Block 15 Taproom. Pr. Hallie will lead this month's pub theology conversation.
